Tax Planning for Dentists

**FREE
SEMINAR**

Effective tax planning can have a significant impact on your practice.

- Have you reassessed your tax affairs, since the 50% tax rate became effective?
- Thinking about setting up or buying a practice?
What is the most tax efficient business structure for you?
- Approaching retirement? How do you maximise your assets when you exit the practice?

You are invited to attend this complimentary seminar, to find out more about:-

- Tax mitigation strategies for you and your practice
- Tax planning issues to consider when setting up a practice
- Practical steps you can take, when approaching retirement
